A MONTHLY NEWSLETTER TO KEEP YOU INFORMED

AUGUST 2021

501(C)3 CHARITY

Wow! August has arrived in a hurry. The construction of Haven of Hope's first cottage and administration buildings are close to completion. Thanks to Mother Nature bringing us much needed rains, the completion date has been moved to the middle of September.

Furniture has been ordered for the cottage and we welcome questions about sponsorship opportunities. You can sponsor an entire room or individual pieces. Please contact our Executive Director, Anita Braun, at abraun@havenofhopenm.com to get more information. Your name will forever be on the donor list and memorialized on a plaque in the building signifying our gratitude to you and all sponsors.

Lastly, many thanks to those of you who stopped by our booth at the Eddy County Fair. It was so much fun to see the excitement about Haven of Hope from the public!

In this age of social media, we are asked to share daily to increase connections in their algorithms. We're not that advanced but I am happy to share our most recent good news and ask you to share it among your friends and family.

First, we are actively seeking our most critical staff member, the Family Life Coordinator (FLC). Interviews are beginning this week and interested applicants are invited to apply now! The job description and application are on our website www.havenofhopenm.com by clicking on Join Our Team. This is a full-time position that requires that the employee live on-site Monday-Friday in a company provided apartment within the haven of hope cottage.

Secondly, we are now accepting applications for admissions from single mothers to be our first residents beginning November 2021. Applications are found on our website under the "Learn More" button.

Can I count on you to share our good news? With your help, the perfect FLC and Resident candidates are just a click away!
