

# NEWS & NOTES

A MONTHLY NEWSLETTER TO KEEP YOU INFORMED

MAY 2021

501(C)3 CHARITY

Wow! So much has happened in the last 30 days. The concrete foundations have been poured, the walls have gone up, the trusses are up and now the roof is being completed. The windows and trim will also be added soon. The construction schedule is on track for an August 1<sup>st</sup> completion date.

We have also been busy reading through several resumes and interviewing several interested and qualified candidates for the first Executive Director of Haven of Hope. We hope to have the best person in place very soon.

Haven of Hope was also featured at the “Women of the Word” conference, which helped more and

more people learn about our mission and vision. The warm welcome at the conference was much appreciated and Haven of Hope was very well received. Everyday progress is being made and the excitement continues to grow. It is exciting to drive by the property daily to see all the changes.

## CONSTRUCTION, CONSTRUCTION AND MORE CONSTRUCTION

We are excited to report Haven of Hope's construction is on schedule! Almost every day in April, huge visible progress was taking place at Haven of Hope.
